

## Donations and how we use them:

Thank you for considering donating to the Dax Pact Foundation to help us in our mission to spread joy and happiness, while reminding people to take a moment and realize the beauty in everyday life. Listed below are various methods which we are graciously willing to accept your help, and how we use it.

Donations in the form of cash, check or e-donation are always welcome. We use this money on things like toy cars for our give-away stands. We have formed a relationship with Mattel Corporation who has accepted The Dax Pact into its Charity program. This gives us special pricing to great Mattel toys we will use for our give-aways, as well as our National Holiday Toy Drive. We created "DAXBOX" toy bins/play mats that are filled with Hotwheels and Matchbox cars and designed to encourage play, the true language of kids! DAXBOX bins will be donated to schools, daycares and businesses. We also give donation bags to hospitals who can individually hand them out to patients. These include things like a Hot Wheels or Matchbox car, a pack of UNO playing cards, and various other knick-knack items that bring a smile to the face. Throughout the year we host community events where people come together, enjoy free ice cream, watch kids smile, and experience joy in its purest form. Some of these events are our Annual Car Show, Community Net, Parties in the Park, Daxy Day Block Party, Holiday Toy Drive and more! We also sponsor a Summer Camp scholarship program with Breezy Point Camp where Dax attended. The program will pay for a portion, or even all of a child's summer camp cost based on their community involvement and impact spreading Joy and the Dax Pact message throughout the year. This list will continue to grow!

Donations in the form of Toy Cars. We are happy to accept un-opened, single-pack, Hot Wheels and Matchbox cars. We use these at events where we give them away to kids for free, and also in local businesses where we spread joy and allow kids (and kids at heart) to take a car and spread a smile! To donate toy cars: [contact@thedaxpact.org](mailto:contact@thedaxpact.org)

Donations in the form of Books. We are happy to accept new or lightly used children's books up to pre-teen. New in 2024, the Dax Pact Foundation will begin donating books to various organizations such as Day Care who could benefit from this generosity.
